Artist Contract

Joining Galleria Lazzara

Galleria Lazzara is a great spot for local and national artists to display their work; it is also a haven for art lovers and collectors to be entertained more than just visually. Each month the art changes so that the gallery is never stagnant. We will be offering a sneak peak of each monthly show for those who are what we call "Artpreneurs" before the public audiences attend the latest art opening. If you have previous art buyers you would like to have invited to our VIP opening the month your work is displayed, then just email us a list with each invitee's name, address, and email and each will be added to the gallery's Artpreneurs VIP list. GL asks that for group shows each artist submit 6-8 works depending on size. The gallery curator will look over the work before hanging and accept works that will be included in the show.

Selling Your Masterpieces

When an artist has a piece of art that sells in Galleria Lazzara, there is an artist/gallery split for the income price of the piece. The artist receives 70% of the sold price, and the gallery receives 30%. The artist will be paid for the work sold after the monthly show is over and when the artist picks up any other unsold work at the gallery. Each show there will be an artist fee. The amount will depend on how many artists and what certain costs are. Mainly, the fee will be for valet, invite design and invites, and for the opening night photographer. These fees will be added up and divided by however many artists are in the monthly show (since five artists are normally scheduled in group shows, fees should be around \$85-\$100 for each artist).

Protecting Your Work

Since the work at Galleria Lazzara will change monthly, we cannot insure each artist's work. This is because different artists value their work at different prices. The gallery cannot change the amount of insurance every month based on the net worth of each show. We ask that if the artist wants to have his/her work insured that the insurance needs to be provided privately and not through Galleria Lazzara. There are many establishments that offer art insurance, such as FarmerBrown.com, AXA Art Insurance, and FineArtInsurance.com.

Dates to Know

Picking up: Each monthly show ends on a Sunday, so the artist must have their work picked up by the next Sunday (Exact dates will change depending on the month, but the date will be listed at the end of this contract). If the artist cannot adhere to this, s/he MUST make approved arrangements with the gallery manager. **Receptions:** Every month the art show will be installed on a Monday. The Artpreneurs VIP Night will be that Wednesday. The public opening will be on the second Thursday of every month.

Artpreneurs VIP List & Solo Shows

Galleria Lazzara has a special opening night that is invite only. The list of invitees is made up of art buyers. The gallery has its own VIP list, however, monthly artists may add personally known art buyers for their show. This special opening night is created for serious art buyers that want to have the first pick in each month's new show.

There are many ways an artist can qualify to have a solo showing. Please contact the gallery manager for further inquiries and requirements.

Looking Forward to Your Show!

Please attach a list of your works including the title, medium used, and the price of each piece. Make sure that the Gallery Manager and the artist have both signed the submitted art list. The best way to keep in contact is by email. If any of your information changes, please email or call us.

Artist Information

Please fill out the following form including the attached W-9 form. Signing at the bottom will state that you agree by all the previously listed terms and items included in the artist contract of Galleria Lazzara.
